HOW TO UPGRADE TO ONLINE LIBRARY 2.0

Pavel Synek
(EBSCO)

Libraries are often challenged with explaining website updates to their tech team, budget constraints and curating the right content and resource. Wouldn't it be great if your website offered a complex solution to your library needs? EBSCO Information Services brings the first turnkey, responsive web platform with plug and play integrations and mobile apps connected in real time. Empowering librarians to create world class library experiences by bringing local content, catalogs, and electronic resources together. Stacks creates a seamless user experience on any device, anywhere.
