Objavljuje Ante Ledenko · 9. listopada 2023.

Nakon 19 godina vozim svoj posljednji tjedan. Umoran odmaram u idiličnom Portu u Malinskoj. Prisjećam se mećava, bura, vrućih ljeta, boja jeseni i proljeća, svih korisnika kojima sam dovozio knjige, knjižničara koji su me vozili kad sam bio dobar i kad sam bio tvrdoglav. Sad još malo ceste pa na zasluženi odmor. 🤔

What inspires us

What makes us happy and motivated

USERS

They are the reason and the goal of library bus activities. Our users are a special group of people to whom we provide quality service because we understand their interests, making it easier for us to recommend books on a friendly basis and fully dedicate ourselves to them.

EMPLOYEES

Expertise and smiles of the staff are the most important elements of library service.

LIBRARY BUS

A library bus vehicle with appropriately organized space provides the opportunity to conduct various activities within the library bus. It is important that the vehicle is in good condition and does not break down frequently.
