Tolls in Slovenia

For **cars and vehicles up to 3.5 tones**, a **vignette** is required for driving on highways. The shortest period of validity of the vignette is 14 days. **It is recommended that you buy a vignette before entering Slovenia** at the last gas station before the border or immediately after entering, so that you do not accidentally get a fine.

More about vignettes here: <https://evinjeta.dars.si/en/about-e-vignette>

For **vehicles over 3.5 tones**, you must purchase a **DarsGo device** immediately **after entering Slovenia**, at a DARS sales point or **at the first gas station on the highway**. You can register online in advance or arrange everything on the DarsGo service. If you register online yourself, the issue of the device on the DarsGo service is faster. The cost of the DarsGo device is €10, after which it is necessary to add credit to the vehicle account. It is a good idea to calculate the toll to Ljubljana and back beforehand.

Instructions for getting to the festival venue with your mobile library vehicle

The additional information below will hopefully help you arrive at **the Festival of Bibliobuses** on May 16th at **Vegova Street** (Vegova ulica) in Ljubljana with as little trouble as possible.

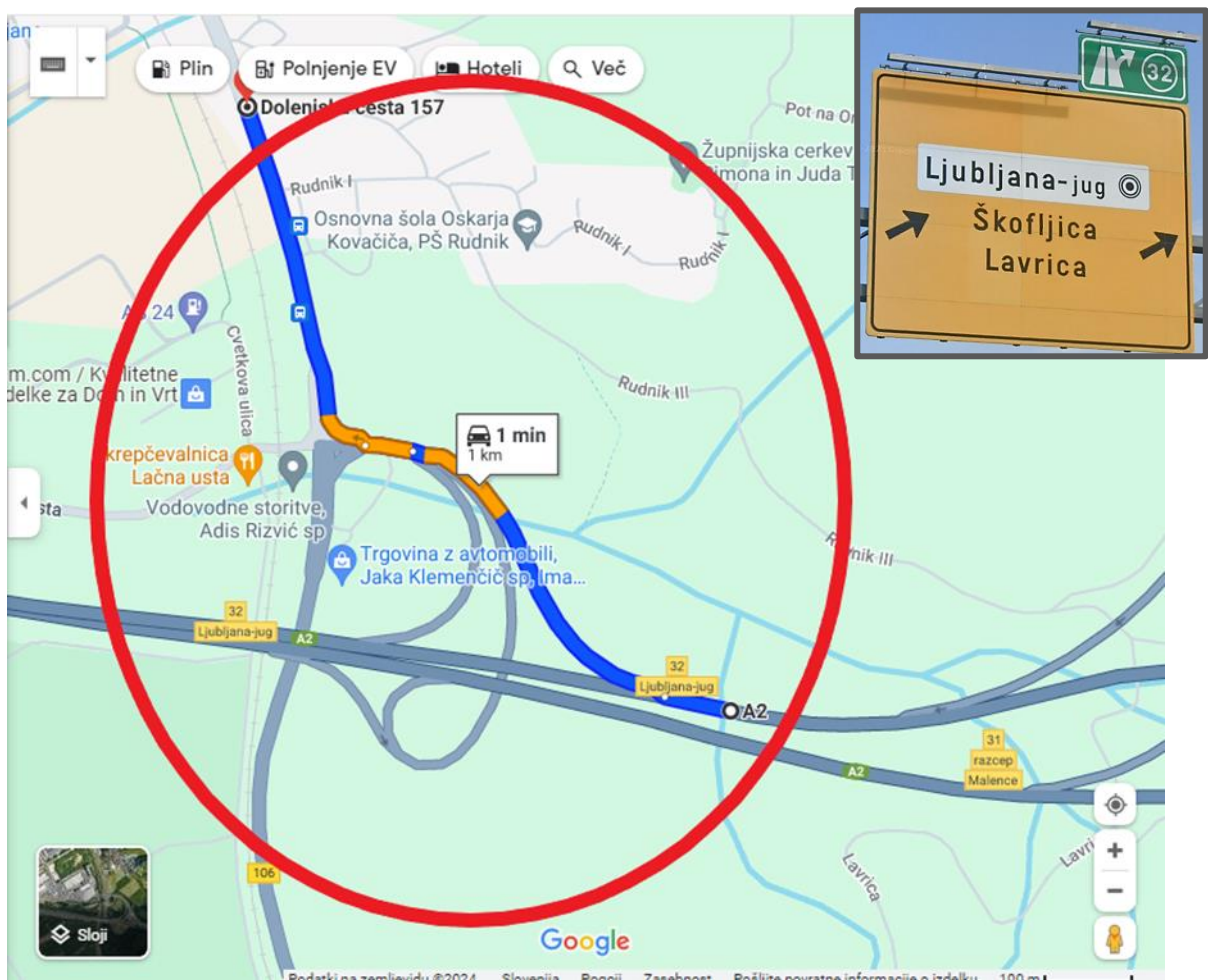

Arrival of bibliobuses at the location is on Thursday, May 16, between 7:00 a.m. and 9:00 a.m.!

ATTENTION: The route described below will allow you to turn right from Zoisova cesta to Emonska cesta in the direction of the venue. If you approach from the other direction, please note that left turns are prohibited! You will not be able to turn left and will have to continue straight ahead and turn around somewhere and then go back.

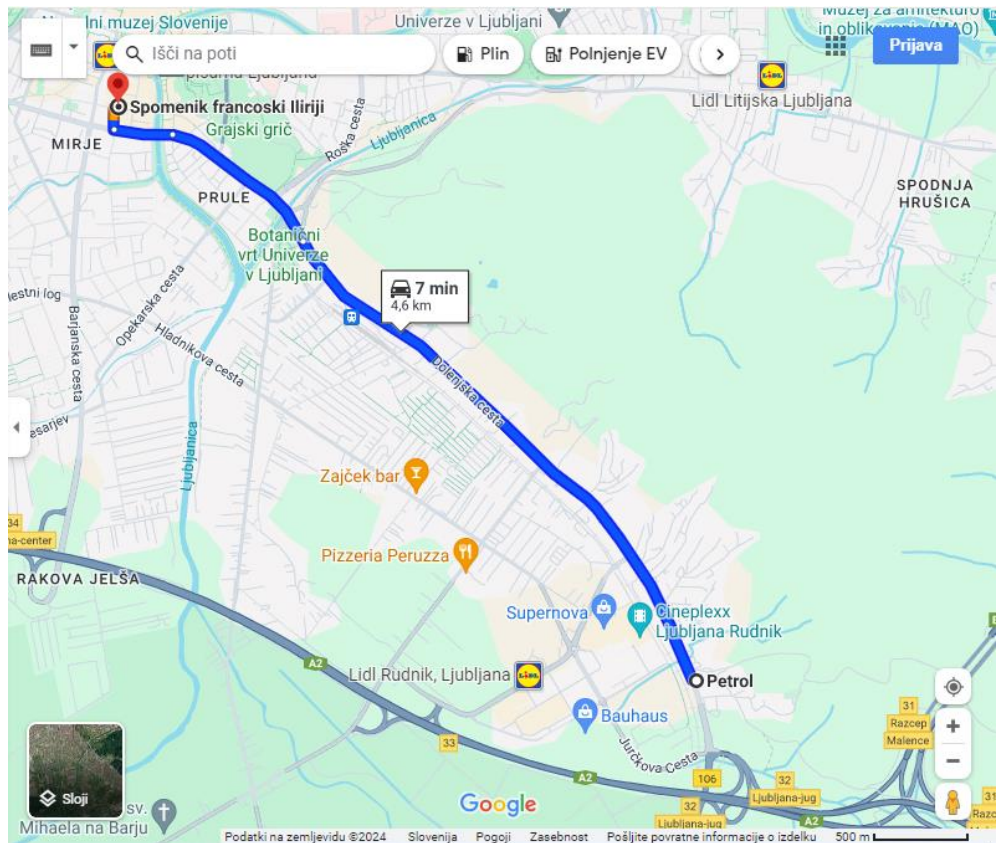

Prioritize exiting at the Ljubljana – jug exit (number 32) on the ring road around Ljubljana, as this will save you unnecessary inconvenience.

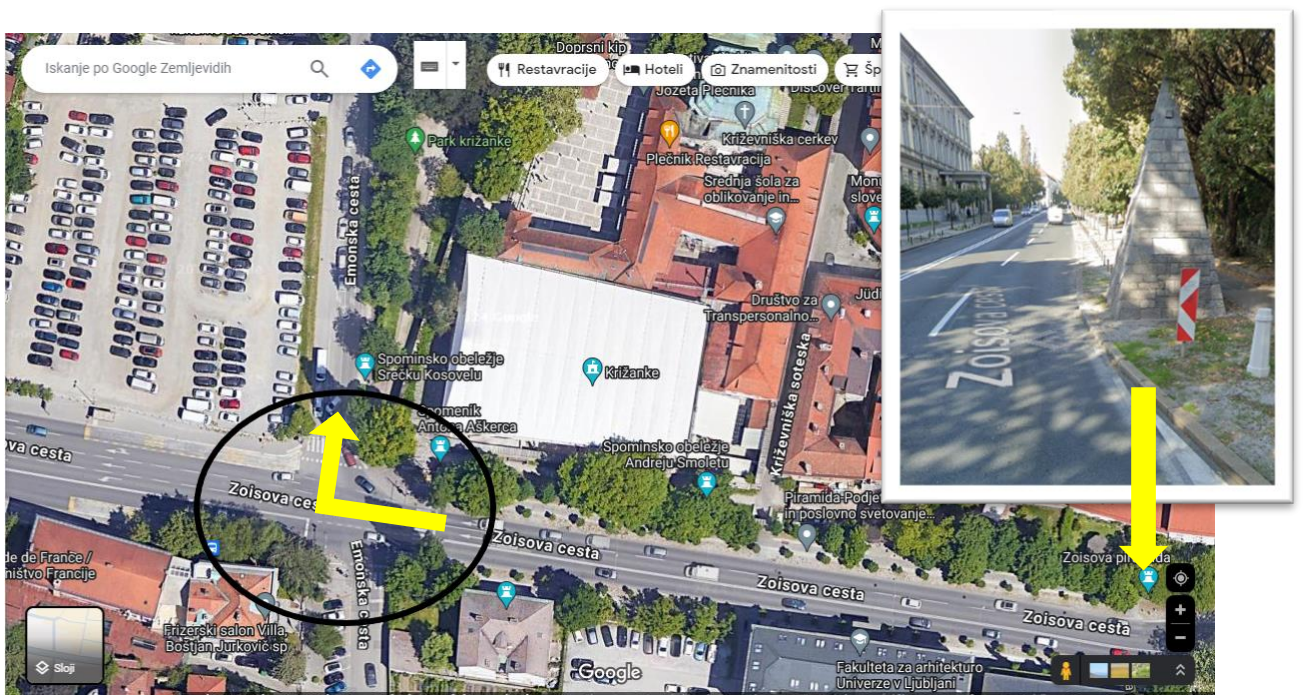

- The instructions on the pictures below apply to everyone exiting on **Ljubljana – jug** coming from different directions.

- After exiting the ring road, you will come to a traffic light. At this traffic light you turn right onto **Dolenjska Cesta** and continue straight.

- After approximately 4.4 km, you will see a **pyramid** on your right, which disrupts the course of the road.

- At the **next traffic light, turn right onto Emonska Cesta**, and **continue for about 100m** to the **Illirija column** monument where we will wait for you and provide further instructions.

During the festival, from 10:00 a.m. to 5:00 p.m., hostesses of the Ljubljana City Library will be on the vehicles.
